## 5.4 Organizational Chart

## **5.5 Student feedback mechanism on Institutional Governance / faculty Performance:**

### **Student Feedback on Institutional Governance / Faculty Performance:**

Towards the end of the semester, concerned HOD's obtain a feedback report from the students regarding the academic performance of faculty. Likewise Principal has regular meetings with class representatives. For grievances, corrective actions are taken on continuous basis for improvements.

**The following procedures are adopted in order to achieve good governance:**

- ✓ Entire faculty of the institute is selected by a high level expert selection committee whose members are senior faculty from leading Institutions apart from VTU's nominee. This is to ensure that the teaching process is of high quality.
- ✓ As far as possible, students with high merits are admitted in the institute.
- ✓ Our institute has provided adequate hostel facility for boys as well as girls. These students spare more time for studies and co-curricular activities.
- ✓ Well lit & spacious classrooms & laboratories designed in the institute make the students feel cozy and relaxed.
- ✓ Exceptionally bright & dedicated faculty is well rewarded at the end of the semester/academic year so as to give them more encouragement and motivation.

- ✓ Meetings of college Academic committees, Departmental committees, Students-teacher class interaction committees are held on regular basis in order to take any corrective action for moving faster towards achievement of academic excellence.
- ✓ Students indulging in any act of indiscipline are immediately reported to college disciplinary committee, who take necessary corrective action.

College toppers from all disciplines are rewarded on the college Annual day. This has a motivating effect on the entire student community. EWIT awards cash prizes, medals and commendation certificates for outstanding performance in academics, regularity and extracurricular activities to promote all round development of students. The students are encouraged to take part in co-curricular & extra – curricular.

## **5.6 Grievance redressal mechanism for faculty, staff and students.**

- Grievance redressal is taken care by HOD's, who in turn discuss the issue, if any, with the Principal. This maintains congenial atmosphere at the campus.
- Grievances redressal of students is take care by designated counselors.
- A Complaint/Suggestion box is kept at the convenient place, so that the students can drop their compliant and suggestions which are attended by the principal himself.
