

EAST WEST INSTITUTE OF TECHNOLOGY

REPORT ON "ALUMNI TALK"

The Department of Electrical and Electronics Engineering arranged a "Alumni Talk" on opportunities in Renewable energy and EV sector on 18/11/2021, Thursday to lower semester Electrical Engineering Student at Seminar Hall.

The speaker of this program was Ms. Bhuvaneshwari, Alumni of 2017 - 2021 batch. Speaker provides the essential additional skills required to become more employable. In present situation due to the scarcity of Natural resources and Green Initiatives EV sector plays a major role in modern world.

The Speaker also outlined the significance schemes available in Central and State govt. MSME Initiative Program.
