A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birthday anniversary in 2019," said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout the length and breadth of the country as a national movement. The campaign aims to achieve the vision of a 'Clean India' by 2nd October 2019.

The Prime Minister has helped spread the message of Swachh Bharat by urging people through his words & action. He carried out a cleanliness drive in Varanasi as well. He wielded a spade near River Ganga at Assi Ghat in Varanasi under the Clean India Mission. He was joined by a large group of local people who cooperated in the Swachh Abhiyan. Understanding the significance of sanitation, Prime Minister, Shri Narendra Modi has simultaneously addressed the health problems that roughly half of the Indian families have to deal with due to lack of proper toilets in their homes.

Some important objectives of the Swachh Bharat Abhiyan:

- To eradicate the system of open defecation in India.
- To convert the insanitary toilets into pour flush toilets.
- To remove the system of manual scavenging.
- To make people aware of healthy sanitation practices by bringing behavioural changes in people.
- To link people with the programme of sanitation and public health in order to generate public awareness.
- To build up the urban local bodies strong in order to design, execute and operate all systems related to cleanliness.
- To completely start the scientific processing, disposals reuse and recycling the Municipal Solid Waste.

Principal & Director
East West Institute of Technology
Bengaluru - 560 091

HOD of Information Science & Engg
EAST WEST INSTITUTE OF TECHNOLOGY
Off Magadi Road, Bangalore-560 091

- To provide the required environment for the private sectors to participate in the Capital Expenditure for all the operations and maintenance costs related to the clean campaign.
