BRIEF REPORT ON

Current Industry Standards

The Department of Electronics & Communication Engineering of East West Institute of Technology organized a Seminar on “Current Industry Standards”. The seminar was inaugurated by Dr. K. Channakeshavalu, Principal EWIT, Dr. S G Hiremath HOD, Dept.of ECE, Mr S.Metri, CEO, Anand Technologies Bengaluru ,teaching, non-teaching fraternity and students of ECE department on 11-03-20 at 10.30am.

The purpose of the seminar was to educate the students about the current industry challenges and how to face it. They discussed about global information and communications technology (ICT) standards create value and aggregate markets through technology diffusion, increased productivity, and interoperability. A diverse, nimble ICT standards ecosystem is fundamental to today’s thriving, rapidly evolving global technology environment, enabling innovators and product developers to choose the best solution to meet their needs and to freely revise that choice in response to inevitable changes in technology and market conditions.
