## **BRIEF REPORT**

### **Webinar on Job Opportunities in VLSI Industry**

A webinar on "Job Opportunities in VLSI Industry" was organized by Dept. of Electronics and Communication Engineering on 17/07/2020. The speaker of the session was Mr. Girish G K, senior member technical staff, Chip edge technologies Pvt.Ltd, B'lore.

The main objective of the webinar was to provide an overview of the fundamental principles of VLSI, ASIC / FPGA design and impart experience designing integrated circuits using CAD tools. The session helped the participants to analyse the basic building blocks of large-scale digital integrated circuits and created global awareness and job opportunities in Indian semiconductor and electronic systems industry outside of the generic 'IT' umbrella. The session created an awareness on enabling ecosystem that catalyses industry growth and leadership that helps to drive technology vision for job opportunities in semiconductor and electronic system industries.
