## REPORT

Hands On program on Cype (BIM) software was conducted on 26<sup>th</sup> february 2019 at Drawing Hall, CMM block, by the Department of Civil Engineering through the Civil Engineering Association & ICI students Chapter. The program began at 9.00 am with arrival of the dignitaries along with the Chief Guest Sri.Amarnath S N Proprietor, Fe Designs, Basavanagudi.

Mrs. Shruthi. D.C, Asst Prof, of the department anchored the program. The program began with invocation song by Ms. Ganashree of 4<sup>th</sup> sem. The welcome speech was rendered by HOD of the department, Dr. M.S. Nagaraja Guptha. The event was inaugurated with lighting of the lamp. The Principal, Dr. K.Channakeshavalu addressed the gathering regarding the importance of soft skills development and competition in world.

The Chief Guest was introduced to the audience by HOD of the department, Dr. M.S. Nagaraja Guptha. Sri.Amarnath S N then gave a brief introduction about the software and competition in outside world in the field of civil engineering. The inaugural function has ended with a vote of thanks rendered by Mr. Arun Kumar H R, Asst. Prof. followed by the presentation of the speaker, then hands on training is given to our students (8<sup>th</sup> sem) in two session. The students got benefitted by learning the software.
