VALEDICTORY FUNCTION

The valedictory function at East West Institute of Technology is a solemn ceremony held to bid farewell to graduating students, acknowledging their achievements and contributions to the institution. This event serves as a platform to celebrate the successful completion of their academic journey, honour outstanding students, and express gratitude to faculty and staff. The valedictory function often includes speeches, awards, cultural performances, and a sense of nostalgia as students prepare to embark on new chapters in their lives. It is a momentous occasion that marks the culmination of academic endeavours and fosters a sense of pride and accomplishment among the graduating class.
